

What can Liber8 do for you?

Liber8 was designed to make your life easier. It's a comprehensive administration system that puts control of fund matters squarely in your hands. With Liber8, data integrity issues and cumbersome administrative hassles are a thing of the past.

What makes Liber8 Great?

Does your administrator or Payroll officer struggle to get data through to us on time?

If so, those days are over.

- Data is uploaded automatically via a single file transfer, and we do the rest.
- You will have the power to perform certain administrative functions in the comfort of your office.
- Direct access to scheme data will result in fewer queries and more control over your scheme data.
- Clean scheme data will result in fewer member queries and speedier claim payments.
- The use of emails and follow ups will be reduced dramatically.

What else can Liber8 do?

Several self-service functionalities are available such as:

- draw member benefit statements,
- upload new membership data,
- change member details e.g. salary changes,
- initiate claims.

What are the other benefits of Liber8?

Liber8 will significantly enhance your overall service experience due to the shortening of the service chain. With Liber8 in your office and with the support of dedicated teams in our office, your entire administrative experience will be greatly improved.

Compliance is no longer an issue. With the new Liber8 data collection process, rest assured that your scheme will be fully compliant with the Pension Funds Act.

In addition, all scheme contributions will be allocated seamlessly due to clean data, received on time.

In a nutshell – Liber8 is great!

We are proud to be the first in the industry to introduce a system of this nature. If you're looking for first class administration, look no further.
